

QUALITY POLICY STATEMENT

John E. Green Company's mission is **"TO BE THE BEST AT WHAT WE DO"**. Committed to the best possible performance, John E. Green Company (JEG) is certified against the international quality standard ISO 9001:2015. Our Quality Management System (QMS) relates to the following business activities.

Full service mechanical contractor providing engineering, design, fabrication, construction, installation, maintenance, and commissioning of all types of mechanical, HVAC, plumbing, and fire suppression systems for automotive, commercial, industrial, healthcare, municipal, and educational customers and business partners.

The team at John E. Green Company is committed to:

- The continual improvement of the QMS and all processes referenced by the QMS.
- Satisfying applicable statutory and regulatory requirements.
- Setting and reviewing measurable quality objectives and ensuring that they are met.
- Every employee being responsible for the quality of their own work and having the authority to identify nonconformities.

This policy is communicated as an addendum in the employee handbook during new hires and made available electronically both on the JEG SharePoint site to all system users and the JEG public website.

This policy statement is reviewed at periodic ISO 9001 management reviews for its continued suitability. This policy is available to all interested parties upon request.
